Hobsonville Rd Subdivision

As New Zealand's leading high security fencing, gates and automation solutions provider, Hampden Fence should be your first point of contact for a tailored high security package for your property.

Subdivision of rural land into residential lots has seen Auckland spread quickly. Hampden has been involved in the early stage civil works to fence off walkways and retaining walls to ensure that the lots are sold to the group home builders in a compliant state.

Included in the installation were the following products:

- Folded panel fencing
- Rakable steel balustrade compliant fencing
- Bridge railing
- Chain link mesh fencing
