

## Scentre Group 227 Broadway

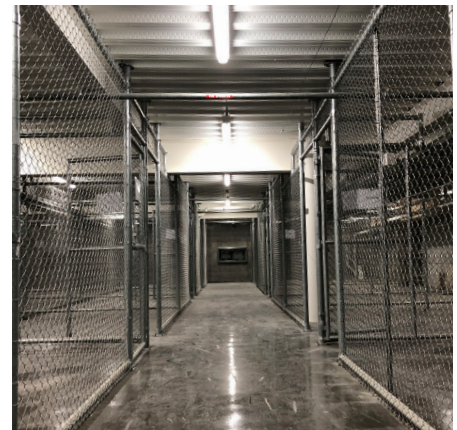

<b>Client</b>	<b>Sector</b>
Sentre Group - Westfield	Commercial
<b>Location</b>	<b>Builder</b>
Auckland, New Zealand	Scentre Group
<b>Value</b>	<b>Year Completion</b>
\$800K	Nov. 2019

Westfield Newmarket has set a new benchmark as a world-class retail and lifestyle destination for all New Zealanders, and Hampden designed and installed the secure protection systems to keep them safe.

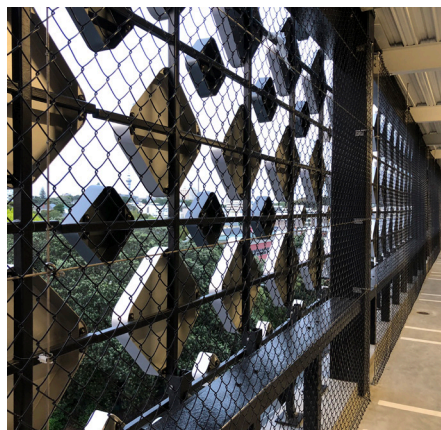

From custom design anti-climb fence panels on the rooftop and full height protective screens on all car levels to secure storage cages for retail departments and security fencing and safety gaurdrails for the loading dock on the basement level.

With an exceptionally tight programme, Hampden rose to the challenge and delivered a quality project within budget ready for the grand opening.

### Product Used

- Carpark Barriers
- Storage Cages
- Guard Rail
- Protective Mesh Screens
